

# Craft – Treat Everyone the Same

“You are believers in our glorious Lord Jesus Christ. So, treat everyone the same.”  
James 2:1

## KIDS CUT OUTS:

Provide children with several colours of paper. Children then trace and cut out a "person" and decorate each of their cut outs with various colours of yarn for hair, markers for eyes, buttons glued on for their clothes, pieces of different coloured felt on their shoes, etc. Tell children that each cut out child is special, no matter what they are wearing or how they look, including hair, shoes, etc. God wants us to treat everyone the same.

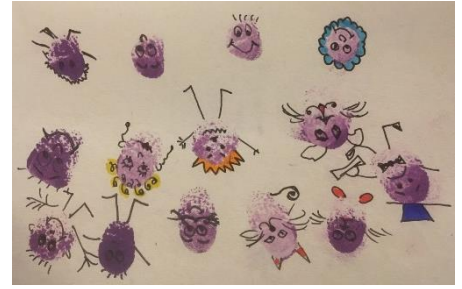

“My brothers and sisters, you are believers in our glorious Lord Jesus Christ. So treat everyone the same. James 2:1”

## GRAPE AND SPECIAL FINGER PRINTS:

Children place their fingers in "purple" ink pads and push their fingers down on a piece of paper. Then they draw many various faces and bodies to their finger prints and write GRAPE SPECIAL CHILDREN instead of GREAT (grape). Write words from today's Bible verse around the edge of their GRAPE children pictures.

## COLOURED HEART CHAIN:

Provide children with many colours of construction paper, wall paper, doilies, sand paper, etc. Children will cut out heart shapes and then begin taping them to a door or a wall to make a LONG chain, with all the hearts being very different but all very important to the heart chain. Children can write words from today's Memory Verse on their hearts to show that even though we are different God wants us to treat everyone the same.
