# PAPER PLATE CROWN

## Materials:

- Flimsy Paper Plate
- Scissors
- Crayons
- Verse Printable
- Buttons (optional)
- Hot Glue (optional)

## Instructions:

1. Fold the paper plate in half.

2. Cut it like a pizza. Most of the cuts you can do while the paper plate is folded. Do not cut all the way through. Cut it up to the ruffle edge of the plate.

3. You will need to open up the paper plate to make the final two cuts. Here is what it looks like after all the cuts have been made.

4. Colour the paper plate however they want to create the look of their crown.

5. Write bible verse on edge of plate - **Fear not for I am with you  
Isaiah 41:10**

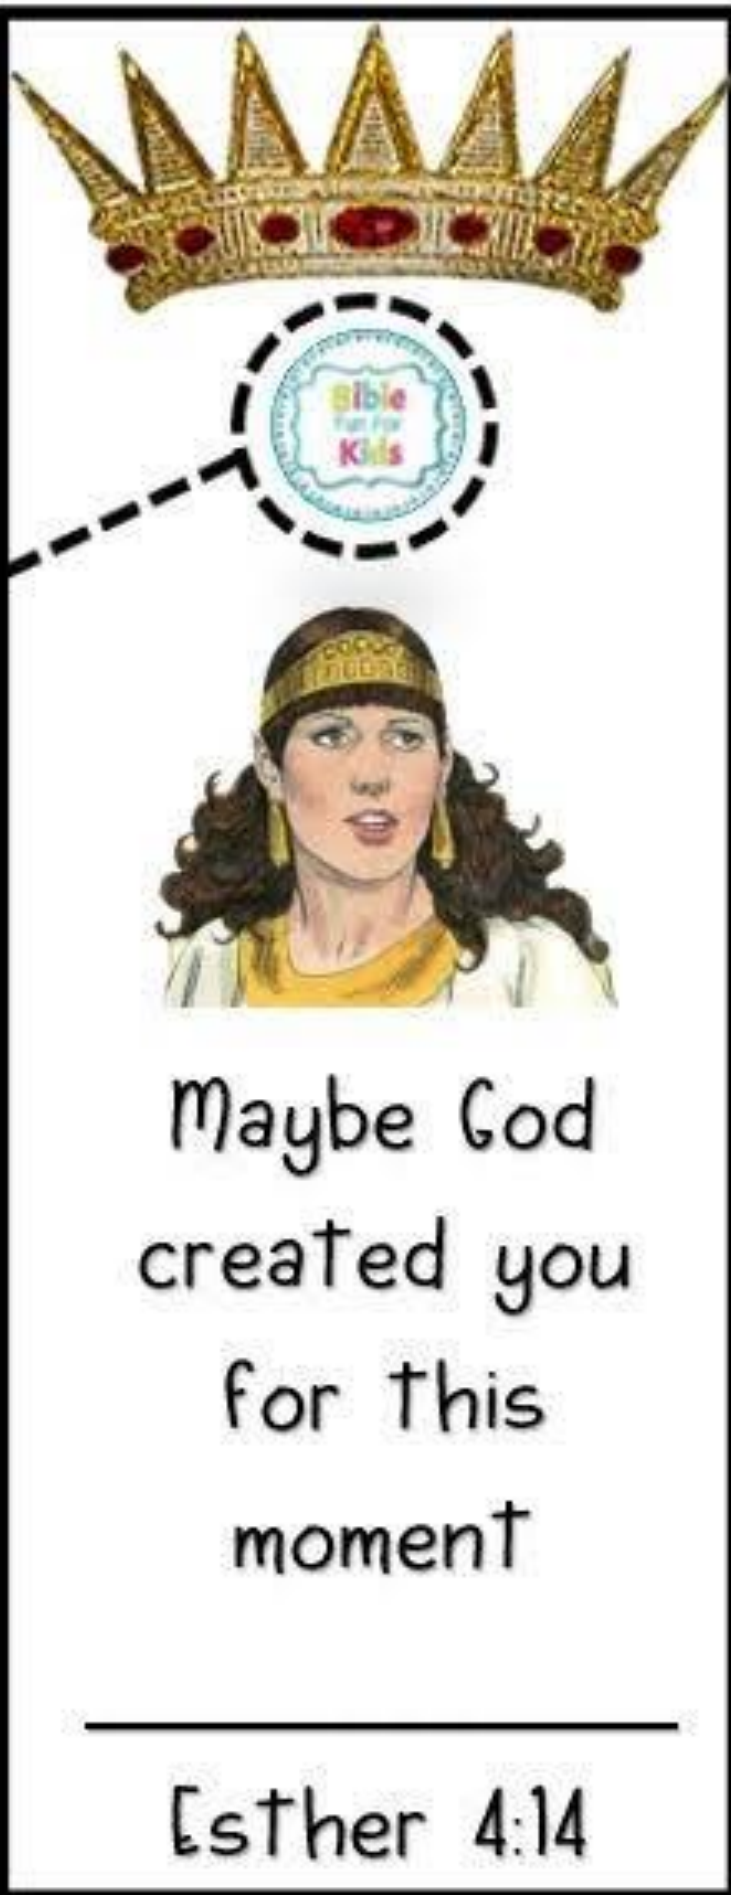

6. To make the crown part stand up, the kids can just fold them up into place.

7. Add buttons to the final look, but this is completely optional.

## Materials:

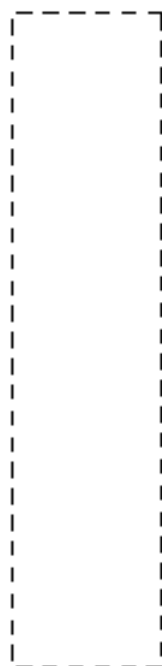

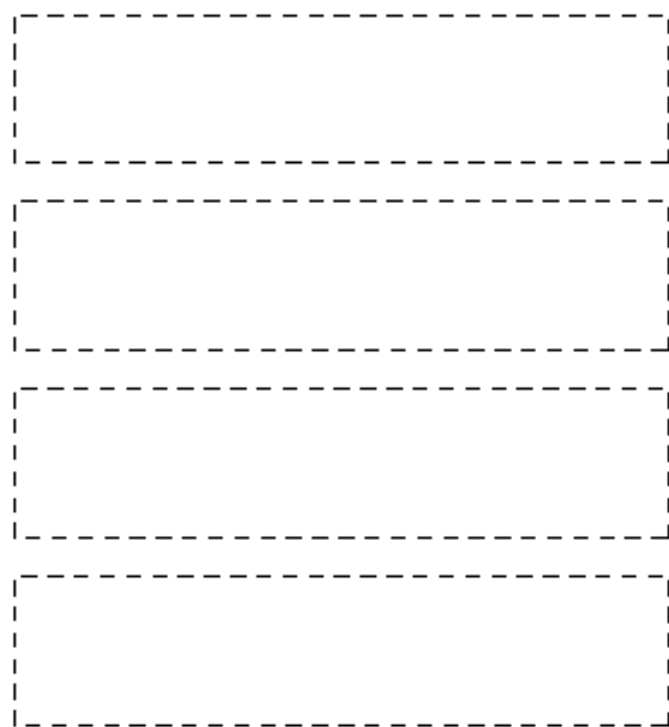

- Printout on cardstock
- scissors,
- sticky tape
- glue dots or double sided tap

## Instructions:

- 1 Cut round the characters, there is a dotted line for those working with paper or younger children. If printed on card and you have an older group, then you can cut closer to the design.
- 2 Cut out the rectangles and wrap around the chosen finger. Slide it off the finger and tape in place.
- 3 Add a glue dot and stick the character in the middle.
- 4 While you can fit multiple characters on each hand it's easier to tell the story with just one at a time!

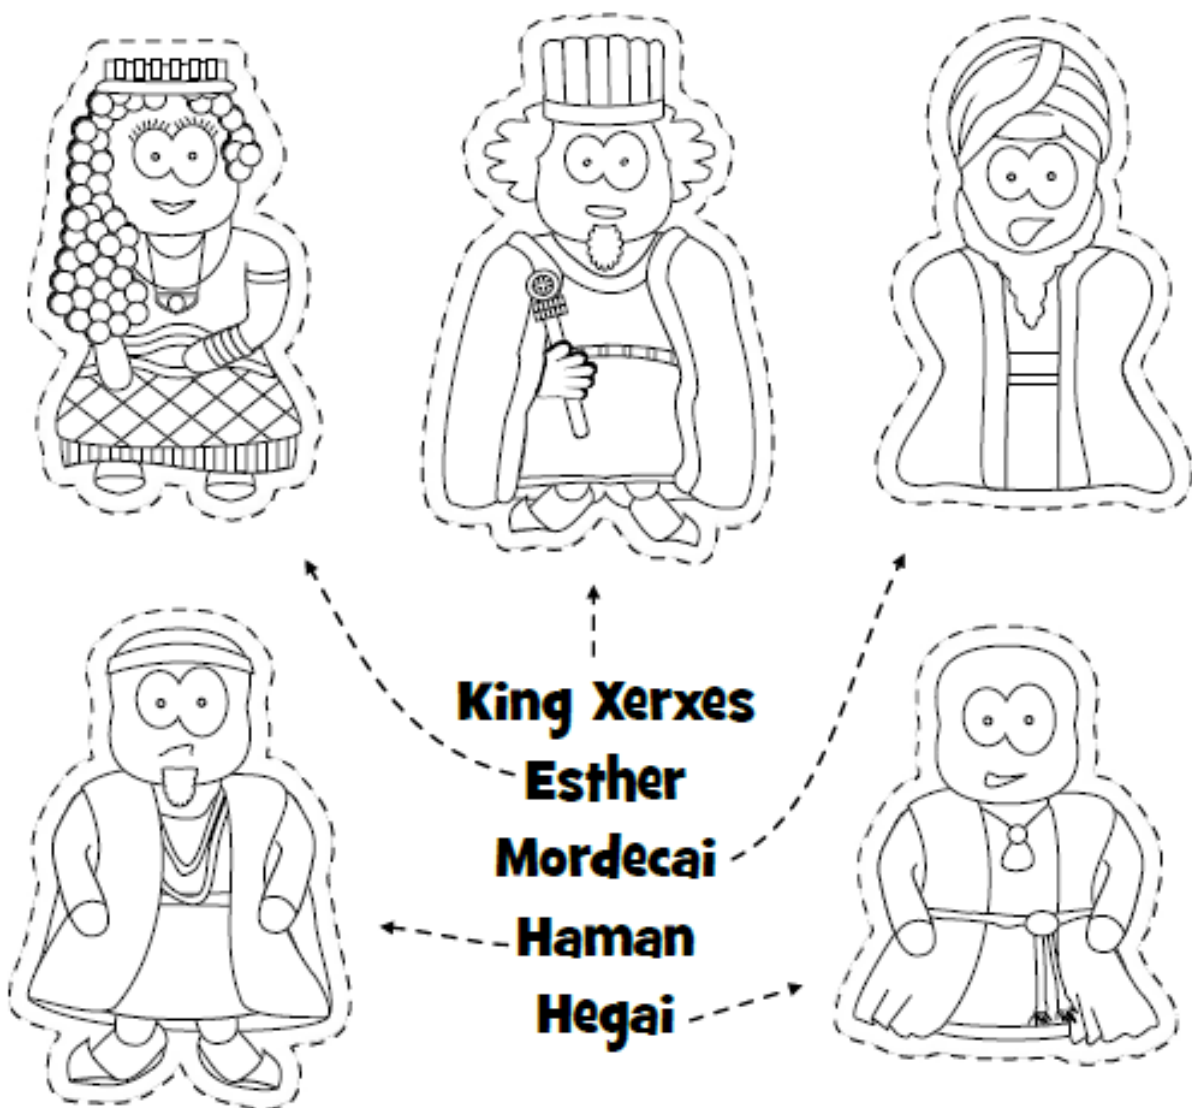

Display glove – kitchen towel holder & pipe cleaners in the fingers!

### Instructions

Cut out the rectangles and roll round your finger, securing with sticky tape. Glue a character to each strip and your finger puppets are complete!
