Ephesians 6:1

Hand Painting

Materials Needed:

- Coloured card stock paper
- Paddle pop sticks or pasta
- washable paint
- paper plate

Directions:

1. Print A4 template below on card stock
2. For the hand print: squirt some of the washable paint on a paper plate.
3. Holding the child's hand, place the right hand in the paint and make sure that the entire hand is covered. Immediately after getting paint on the right hand, place the child's left hand in the paint and make sure it is covered completely. Now you are ready to put the hand prints on the paper. **NOTE: MAKE SURE THE PAPER IS UPSIDE DOWN WHEN YOU DO THE HANDPRINTS!** Place the child's hand on the upside down paper and press them down, making sure their entire hand prints on are the paper.
4. Set aside to dry.
5. Once the paint is dry, you can make a frame using paddle pop sticks or pasta
