

VISION SUNDAY - 26 FEBRUARY 2023

A time to reflect and a time to look forward.

On Sunday we celebrated what God has done in CBC over the decades. Looking back reminds us of the goodness of God and encourages us to trust Him for the future.

PART A - Looking back and looking forward

1. What can you give thanks for over the last year - in your life and in the church?
2. What are you looking forward for God to do for the year ahead - in your life, in the lives of other people or in the church?
3. Share some responses with the group
4. Pray for the group members and for the church as it begins this transition.

PART B – Seeking spiritual discernment

READ 1 Kings 3:9-10.

Q1: Why was God pleased with Solomon that he sought discernment? What other things might he have asked for?

READ Acts 4:29, 13:2, 15:28

Q2: How do you see the process of discernment happening in our church? Who needs to be involved and what do we need to do?

Q3: What are some of the conditions to hear from God? Should we expect God to speak only to the leadership?

(Seeking God's will for us and our church – through prayer, active listening, letting go of preconceived ideas and being open, and coming together to seek the Holy Spirit's guidance – to uncover what God has planned for us)

PRAY TOGETHER THAT GOD WILL SPEAK TO EACH OF US AND THROUGH US TO THE CHURCH.
