THIS SUNDAY

We conclude our 4 week "Love" series this Sunday.

Subject: Proclaiming Love Acts 1:6-11 Matthew 28:18-20 Speaker: Pastor Ian

HOPE STREET A BIG thank you to you and your churches for all your support, generosity, and prayers! We are so thankful for all that you do for Woolloomooloo, your partnership with Woolloomooloo Baptist Church and HopeStreet. I have to do a Monthly Operational Report, and as one of the Highlights, I always get to name all the wonderful Churches that support us! I love telling people about all the Churches that are involved (and how they're involved: Sunday breakfast, donations, volunteering, and giving), and that we do this together, serving God together, serving the people of Woollo' together - And it is great to tell the higher-ups in BaptistCare and the Baptist Association. Thank you.

Thanks to all the Sunday Breakfast Churches who faithfully prepare breakfast and serve it on a Sunday morning! Thanks for your service, generosity and being present on a Sunday morning to hang out, chat, and listen. **Thank you Thornleigh, Epping, Castle Hill, Wentworthville, Glenbrook, Caringbah and Central Baptist Churches!** - Sam Stamos

CBC PARTNERSHIP COURSE

Partnership is a great way to understand who we are and what we believe as a church. If you are new to CBC and would like to know more about our church, this is a good opportunity. The course is a prerequisite to serving in a ministry area and so we encourage those who would like to connect deeper and serve at CBC to make attending this course a priority. The next course will run in the CBC Conference room on **Sunday 18th August at 3pm**. Please email the church office if you would like to attend or speak to Jill at the Pathways desk.

HYMN CDs

Yesterday Kim Cartwright after many months in hospital was moved to St. Basils, Miranda. Praise God for this provision of care in the facility where his wife Mary and a number of other CBC members reside. We would like to provide some Hymn CDs for Kim to enjoy in his new room. If you have any that you no longer play or would be happy to lend, please leave them at the Pathways desk and they will be passed on to him.

THANK YOU CBC

We are blessed by a generous church with those who have the gift of giving responding to the needs of others. Thanks to everyone who contributed toward those attending the State Youth Camp organized by the Baptist Association 27-30 September. Donations have provided a 30% reduction in cost for the 37 young people attending. This is a big help especially when families have more than 1 child attending.

COMMUNITY NEWS

FROM ROJ & SHELL

About 7 weeks ago we emailed with the news Harry Uncle was diagnosed with Stage 4 cancer and we asked you to join us in praying for his healing. The good news is that he's finished the first round of chemotherapy with minimal side effects and the cancers having noticeably shrunk.

We met with the Dr this week and they are still unable to operate so have recommended a 2nd round of chemo starting tomorrow. They hope that after this they can perform the operation.

Please continue to pray for his healing and that he would know God's peace and presence through the treatment.

Love Roj & Shell
