Mission Update

From the Hartley's

The boring but important thing we've been working on is the systems and policies getting them up to date and ready for when we have students again next year.

We're also doing a lot of planning for the DTS in February and then Another school we're going to run in July that is for up and coming YWAM leaders. This is probably where we get most excited getting to input into the next ones to be sent out.

The other thing that we'd love prayer for is an evangelism event we are having over Halloween. We've got a mix of prayer and worship, service and evangelism running all over the city for the week running up to Halloween.

It's been great connecting with churches and pastors all over the city and seeing how keen they are to welcome us and work together to bless Canberra. Now we need the people to also catch the vision and be willing to come and join in!

Welcome to the world baby boy Arden Greenwood. If you wish to provide a please sign up for the meal train by clicking on the link below:

Southern Sydney Creation Group

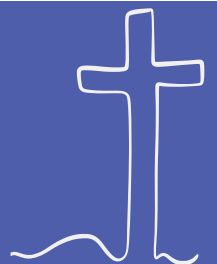

The next meeting of the Southern Sydney Creation Group will be 2.30pm THIS Sunday afternoon the 21st of September in the front conference room at Caringbah Baptist Church. Chris Svolos will be doing a presentation on "Creation / Evolution in an Artificial Intelligence dependent Future".

AI will be increasingly intruding into our lives, and we need to understand how it works.

For more information contact Ern Hemmings on 0407722744

CBC Transport Ministry:

We are in need of some more drivers to help out at various times, including transporting people to Church and driving people to medical appointments. Both males and females are needed. If you have a full Driver's Licence, a Comprehensively Insured Car, have completed the CBC Partnership Course (or are willing to do so) and are able to join this ministry, please contact our Pastoral Care Coordinator Carolyn Altman (0402 204585 or caltman@ecbc.org.au).

We are also looking for someone to take on the role of CBC Transport Ministry Coordinator. You would be the point person that CBC family members can contact when in need, and you would then contact the volunteer drivers to find an available driver and put the two in contact with each other, and update an Excel spreadsheet. You do not need to be a driver or have a car to do the CBC Transport Ministry Coordinator role. Again, please contact Carolyn Altman if you are interested in doing this role.

THE ARC COURSE

PRAISE & PRAYER

Praise:

1. For the new people & families that are continuing to come to CBC. Praise God that last Sunday there were 17 kids in BeeHive and another 17 kids in CoolHouse-this number has doubled this year!
2. For the 90 kids & the 60 adults that came to Adventure last Friday afternoon for a special Magic show! Pray that many new kids will return this Friday.
3. That Rosa Pasquale finally has her own SRE class of Kindergarten children in her local school.
4. That Rose Biradar is out of hospital & has been able to come to Church the past two Sundays! Praise God that the new medication is working well.
5. That Paul Holden is home from hospital and that the symptoms were not caused by heart attack or stroke.
6. That Peter Webb's treatment is working well for him-thanks be to God for this!
7. That Mark Lindsay's shoulder reconstruction surgery went well & that he is healing well.
8. That Melina Altman is healing well and was able to have her first 6 hour infusion with an immunotherapy drug on Wednesday to try to put the Crohn's Disease in remission.
9. That Lyn Turnbull was able to sell her house and will be moving into an apartment in St Basils next month.

Pray:

1. That it will be a special time this Sunday morning of honouring Brod Storey for his many years of faithful service to CBC.
2. That Rose Biradar will continue to stay well & get stronger ready for when a new heart becomes available.
3. For Paul Holden who is still experiencing debilitating dizziness. Pray that the appointment with a Balance Doctor will bring some answers & for complete healing for him.
4. That Mark Lindsay continues to manage well once the rehab starts in the coming weeks for his shoulder reconstruction.
5. That Melina Altman will soon see a reduction in symptoms & inflammation. Pray that she will be well enough to return to work part-time after the school holidays.
6. For Matthew Jurd's dizziness & noise vibrations in his head to dissipate. Pray that his eye continues to heal so that he can move it properly, and that his eyelid responds to exercises to open. Pray that he will get full vision and hearing back.
7. For continued healing for David & Lina Wilmott's son Sam and daughter-in-law Jas who have been very ill with a bad virus. Pray that the rest of the family don't get sick.
8. For Kate Ford & Rosa Pasquale as they teach their SRE classes each week. Pray that each child will learn more about God's love for them every week.
9. For one of the new ladies at Church (Dami), as she needs to find a second job in the afternoons (3pm-8pm) to be able to send money home to support her mother.
10. For Pastor Ian as he prepares to speak at both the morning & evening services this Sunday. Pray he will have the time to prepare well on the topic of Unanswered Prayer.
